

Quarterly Update

April-June 2026

Our most popular incentive is back, and members are already using it to tune up their bikes, score new gear, or upgrade to a brand-new ride. Incentives now offer \$300 for a traditional bike, \$400 for an e-bike, or \$150 for repairs, maintenance, or accessories.

No pre-application needed—just make your purchase at a full-service bike shop in the Sacramento Region, log in to NorCal GO, and submit your receipt, proof of Yolo Commute membership, and a photo of you with your bike or gear.

Commuter of the Year

After a successful debut last year filled with inspiring stories of sustainable commuting, we're excited to once again celebrate our amazing members. The Commuter of the Year Awards nomination period will open again on June 1st.
